Stephen,

In case Jimmy hasn't got back to you. Our call on Non disclosure agreements is going long. Hope to start the project coordinators call in next 15 minutes or so. Maybe less.

Jimmy,

I have been attempting to join the conference, but am getting a message that the conference is full and that no other parties can be added.

Update – Perry Nakaoka (NAVFAC PAC) provided a draft agenda for SOW Section 3 (Tank Upgrade Alternatives) to Omer Shalev and Thu Perry on 10-Nov-2015 for review and comment. I have not seen comments to date. It is possible Perry may have received comments, but I am not able to confirm as he is out of the office today.

VR,

Stephen
